## Giorgio

2009

Inspired by the world of the neoclassical architecture, the Giorgio Side Board was designed to be simple, yet, intriguing. The main focus on this piece is to make the doors seams as unnoticeable as possible. To achieve that, a large amount of hours was spent on figuring out the best wood cut and angles.

Inspirado por el mundo de la arquitectura neoclásica, el Giorgio Side Board fue diseñado para ser Simple, sin embargo, intrigante. El arte y el trabajo en esta pieza es hacer las uniones de las puertas tan imperceptibles como posible. Para lograrlo, se dedicó una gran cantidad de horas a determinar los mejores cortes y ángulos de madera.
