Comfort! That's what the designers of the Sara Bond Chair had in mind while sketching this piece. But the artisanal treatment of the wood frame was not overlooked, being designed to feel as seamless and weightless as possible. The seat, whether it be leather or natural fiber, provides an elasticity that allows for optimal comfort.

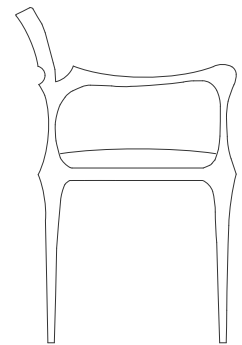

Comodidad! Eso es lo el diseñador de la Sara Bond Chair tenía en mente al dibujar y diseñar esta silla. El tratamiento artesanal del marco nogal americano, roble o fresno. No fue pasado por alto, siendo diseñado para sentir tan continuo y ligero cómo fue posible. El asiento, ya sea de piel o fibra natural, proporciona una elasticidad que permite comodidad óptima.
