Love me do

Paco Camús 2017

Inspired by the 60's, this organic-shaped mirror is committed to the simplicity of concepts. If we cut its profile we could see a shape similar to a boat viewed from above, and oval with two tips, as an eye. This creates an inner and outer edge. The result of this is a round shaped profile pleasant to touch, but with the nerve and character provided by the edges.

Inspirado en los años 60, este espejo de formas orgánicas apuesta por la simplicidad de conceptos. Si cortáramos su perfil podríamos ver una forma parecida a un barco visto desde arriba, un óvalo con dos puntas, como un ojo. Esto crea una arista interior y otra exterior. El resultado es un perfil redondeado y agradable al tacto, pero con el nervio y el carácter que proporcionan las aristas.
