## Víperus Side Table

---

Paco Camús 2009

---

The Viperus Side Table will morph into a different profile depending on the angle you are viewing it and how you choose to arrange it. The unique elegance of this piece is possible due to the memorable, yet thoughtful curves and thin, masterful woodwork.

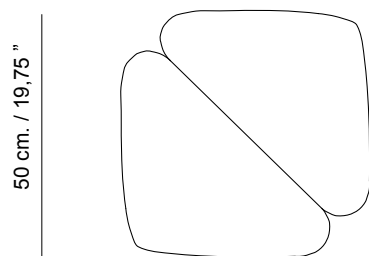

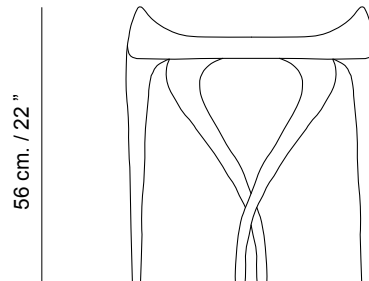

La mesita auxiliar Viperus cambia de perfil y diseño, dependiendo del ángulo en el que se contempla y cómo se sitúe. La elegancia única de esta pieza es posible debido a las curvas humanas que toma, magistral carpintería.
